Subject: Update | Academic Session 2020-2021

Dear Parents,

Asalam o Aleikum Wa Rahmatullahe Wa Barakatohu,

Hope you and your families are keeping well.

As you are aware that NPS being one of the first few schools to transition to online learning program, launched “**NPS Connect**” to ensure the studies of our students are least affected during the undesirable situation caused by COVID-19 Pandemic and that your child’s education can continue in the best way possible, given the circumstances.

NPS also conducted the Mid-Term examinations successfully, with even more focus on assessing the conceptual understanding instead of memorization, as these were home assignment based assessments.

Various tools such as NPS E-Connect, assignments and projects were essential part of those assessments. Midterm results are reflective of these assessments and we appreciate the efforts of our students despite difficult and unusual conditions.

As the schools are now open for physical classes and students are attending school with hybrid model (Physical classes in combination with NPS e-connect assignments), now is the time to gear up for their final examinations. The syllabus has been reviewed to address the disrupted academic session and is being shared with you. The revised syllabus will help your child focus on SLOs that are more relevant in terms of progression. Detail time table for Final Examination will be shared with you soon, however the tentative timelines are mentioned below;

ASSESSMENT SCHEDULE (TENTATIVE)

Assessment	Month		Result	
<i>2nd Assessment</i>	March	(Second week)	March	(Third week)
<i>Final Term exams</i>	April	(Second week)	May	(Second week)

Note: Final Result will be compiled on the basis of all Assessment (1st Assessment, Mid Term exams, 2nd Assessment and Final Term). Any change in the given schedule will be informed through a notice.

Furthermore, as you are aware that due to previously imposed lockdowns and extended closures of physical classes at campuses, the annual charges of Rs. 4,200/- for the academic session 2020-21 haven’t been charged so far. In order to facilitate parents under these special circumstances, instead of Rs. 4200, only Rs. 1,800/- examination related charges will be charged for this academic session. These charges will be billed along with the tuition fee for the month of March 2021.

Note: For new admissions who have paid full annual charges at the time of admission, the balance of Rs. 2400 will be adjusted in the new academic session 2021-2022 annual charges.

We are looking forward to have your usual cooperation and support.

Best Regards,

School Management
